

ELASTIC

Kick-Off Meeting

Meeting Program

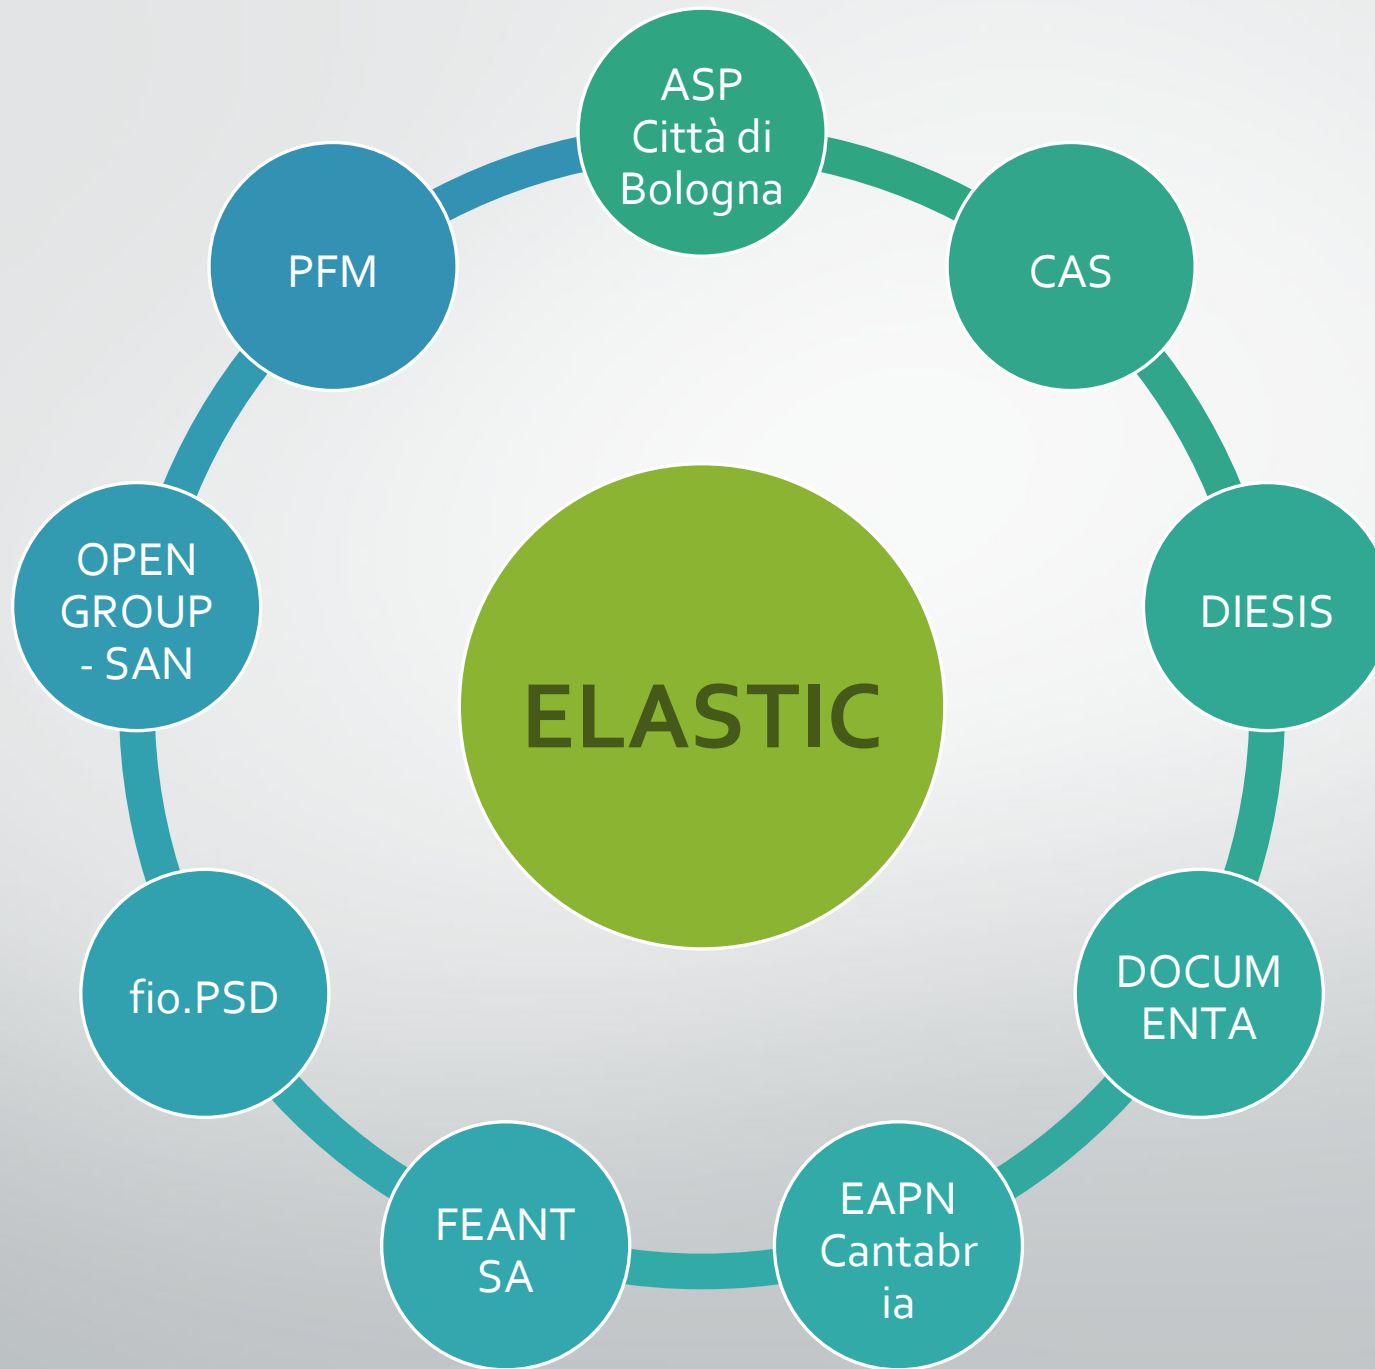

Kick-Off Meeting OBJECTIVES

- Mutual knowledge of partners and organizations;
- Summary presentation of objectives, actions and expected results;
- Approval on definitive budget and activities distribution;
- Approval of time schedule;
- Preparation and sharing of materials and tools for the project implementation;
- Approval and sharing of payment and reimbursement procedures;

WHY ELASTIC?

Exchange and Learning for Adult Socialworkers: Training ICT Competences

We think this name symbolizes good the ability of **change**, the need for **adjustment** and trying **new tools** and **working solutions**, both for social workers and welfare organizations.

ELASTIC OBJECTIVES

- An **improved digital competence** and a more widespread **use of ICT tools** among welfare organizations, their workers, networks and collaborations;
- **Better communicative flows**, both internal and external, in the involved organizations.

ELASTIC ACTIVITIES

- Review and analyze **digital tools currently used** among organizations active in the field of vulnerable people inclusion and in their networks;
- Identify digital needs among organizations active in the field of vulnerable people inclusion and their networks;
- Identify new digital tools with great potential in this field;
- Exchange good practices among project partners, focused on digital tools;
- Train partner organizations social workers and staff with the use and to the use of digital tools emerged from previous actions;

communicate and disseminate project results.

OUTPUTS

- Transferable training in digital tools and ICT competences

- Digital vademecum with project results
